To Whom It May Concern:

The Access and Information Management (BC Archives) section of the Royal BC Museum Corporation is pleased to support the Maltwood Art Museum and Gallery on the "A Woman's Place"... virtual exhibition project. This project will provide a quality product with enormous appeal to the general public and both beginning and senior researchers.

The subject matter of this project draws extensively on the collections of the Royal BC Museum Corporation and inclusion of this material on a website will greatly increase the accessibility of this material to a broad audience. Permission to use images from the Corporation on the proposed VMC website is granted.

Sincerely,

A handwritten signature in black ink that reads "Gary A. Mitchell". The signature is written in a cursive style with a large initial "G" and "M".
